sun shades

MEDICUS^{GOLF}

Congratulations...you just purchased the coolest sunglasses on the planet! You're about to experience sunglasses that are not only convenient but also convertible. In stylish design, your new flipZTM Sun Shades can be worn as a standard pair of sunglasses that easily convert into brim-attachable sun shades in seconds! The patented fine "ratchet action" visor clips allow your lenses to securely "flip-up" under the brim of your hat at anytime. - Perfect for when you prefer to see without your lenses. When you need the ultimate in sun protection your new flipZTM Sun Shades are equipped with the finest lens technology providing polarizing efficiency of over 99.9% for the absolute best in sun shade style and performance.
